

SETTING A STANDARD FOR HUMAN RESOURCES

Organizations both large and small depend on Vivid Learning Systems to satisfy their training needs. Vivid provides the entire training package, combining a best-in-class enterprise-wide Learning Management System with off-the-shelf and custom content, all backed by a knowledgeable and dedicated professional services team.

WORKFORCE EXCELLENCE.

Today's greatest human resources challenge is building organizational programs that improve efficiency, effectiveness, and productivity. Having the tools and resources available to manage an organization's human capital is critical. From Employment Law to Occupational Safety and Business Development training, Vivid Learning Systems is helping today's leading companies achieve workforce excellence.

Whether it's refresher or new employee training, HR executives are realizing the benefits of leveraging web-based training technology to improve employee performance, reduce risk, and lower training costs. Your human resource investment is too important to leave to chance.

COURSE LIBRARIES

- Employment Law
- Occupational Safety
- Healthcare
- HIPAA
- Business Development

"Devereux Glenholme is a boarding school that strives to achieve the highest education standards. We wanted an engaging, interactive presentation format that supported the learning experience, a comprehensive test capacity, and the ability to integrate with our LMS. Vivid Learning Systems provided exactly what we needed at an affordable cost, and their customer service has been exceptional."

- Mary Guilfoile
Devereux Glenholme School

The image displays three screenshots of the Vivid Learning Systems interface. The top left screenshot shows a course titled "SEXUAL HARASSMENT FOR EMPLOYEES" with a video player and text. The top right screenshot shows a course titled "VIOLENCE IN THE WORKPLACE" with a list of safety requirements and a video player. The bottom center screenshot shows a "Compliance and Discipline" quiz with a table of questions and a "Check My Answer" button.
